Author's Name

GHOSTWRITING DECLARATION

I declare that I am the only Author of the manuscript titled:

.....
.....

submitted to the *Contributions in New World Archaeology*.

The process of writing was not influenced by any third party. In this article, all the contributions of other people are clearly indicated. The theories presented, methods used, analysis and research, as well as the copyrights to the drawings, photographs and other figures belong to the Author(s) or are clearly credited in the text.

This article and preceding research were possible thanks to the financial support of:

.....

and the realisation of the whole project was possible thanks to the permission and cooperation with scientific institutions, associations and others as follows:

.....
.....
.....

Date:
